Calling All Urban Adventurers: New Experience-Enhancing Packages Announced at Jupiter Hotel

Portland, Ore. (May 5, 2019) — Jupiter Hotel, Portland's renovated 1962 motor lodge, and Jupiter NEXT, the elevated expansion next door, announce their in-room package partnerships to create five all-new, all-community-focused offerings for guests and locals alike. Whether you're looking to relax, expand your horizons, or offer your four-legged-friends an experience as luxurious as yours, Jupiter Hotel and the NEXT have you covered. The coolest part? All three partner stores are owned by women!

Our five new packages include our Inner Animal Pet Package, Urban Oasis Spa Package, and three new Fantasy Kits (Explorer Kit for Couples, Chill Vibes Fantasy Kit and Hard-On Fantasy Kit) to open your minds and enhance your erotic experiences.

The Inner Animal Pet Package, a collaboration with local pet shop Meat for Cats and Dogs, is geared towards dogs; the package includes a bed (small or large sizes available), standing food and water bowls, a handmade fleece tug toy in a variety of colors, and treats made by local company Chow Down; plus, you'll get a discount to Meat's raw food offerings only a few blocks down on East Burnside Street (dry food options are available, too!). Don't have a dog but still want to bring your pet? Let us know before you arrive, and we can tailor parts of the package to your furry friend.

The Urban Oasis Spa Package includes aromatherapy scents that are quintessentially Pacific Northwest at heart: Rose, Forest, and of course, Coffee! Make your room your own private spa space -- rather than soaking the night away, we're offering shower steamers to activate aromatherapy scents in your space. Use the coffee scrub to wash away all the elements of urban living and traveling, then give your body the break it's been craving with a limited run of Sacred Herb Medicinal CBD lotion to fully put the feels into your recovery and relaxation. Finally, lock everything in with the gorgeously luxurious Rose Serum that will give you that dewey just-left-the-spa look. The best part? You get to take the spa products home with you, where you can do it all again!

Our three Fantasy Kits have gotten a major upgrade: Local female- and queer-friendly sex toy shop She Bop has curated packages for couples and solo travelers alike! We're talking about vibrating goodies, new toys, and herbal chocolates that will get your heart racing. Each of the three packages are designed to enhance whatever experience you're looking for; The Explorer Kit includes toys for partners to enjoy, with elements of BDSM, sensory deprivation play, and more. The Chill Vibes Fantasy Kit is perfect for anyone but is specifically geared towards those with vulvas and includes an adorably decorated multi-speed body-safe vibrator, external finger vibe, lube sampler pack, and much more. Our Hard-On Fantasy Kit is great for guests who would benefit from the use of a glow-in-the-dark cock ring, anal plug, self-contained masturbation egg, and even more. We've got all the tools you'll need for your own sexual journey - alone, or with others!

Jupiter Hotel continues to offer our ever-popular 420-friendly kit, with our "Everything but the Weed" kit from local dispensary Jayne PDX. This package offers every tool you could need to enjoy all of the herbal delights that Portland legally offers, including discount cards to local dispensaries and a hookup to Potlandia Tours so you have a place to partake! Ask our front desk staff for more information or head to <https://www.jupiterhotel.com/hookups> to find out more about tours offered and discounted dispensaries galore.

Packages can be purchased as an add-on when you book your room online or over the phone, or similarly purchased through our front desk agents when you arrive. Full descriptions of our five new packages can be found attached to the email accompanying this press release.
