THE JUPITER
A PORTLAND HOTEL

Calling All Nerds! Old School LAN Party at Jupiter Hotel

Featuring board games, Smash Bros, Mario Kart, Magic the Gathering, DnD & more!

Portland, Ore. (December 11, 2019) —

What: Calling all nerds! We're throwing an epic LAN Party, complete with BYOC setups, Mountain Dew and Doritos stocked and ready, and all the cables and connections you remember from your youth, hosted by nonprofit tech wizards Free Geek, who will be raffling off a custom-built gaming PC; Not to mention, we'll have a doubles and singles Smash Bros tournament *and* a Mario Kart bracketed team tournament with prizes for the best players in town; plus, Game Knight Lounge is bringing an enormous pile of board games for the card-oriented, strategy-loving, and quick gamers alike; We'll also have intro/expert D&D sessions for first-timers and long-lived players run by professional DMs from tavern pop-up Orcs! Orcs! Orcs!; The Portland Game Store will be running Magic the Gathering drafts; and finally, we'll be capping off our first night with a hilariously fun adventure from Dungeon Battle Karaoke. Jupiter Hotel is bringing together our favorite local partners for two days and nights of epic all-ages nerd events with discounted room nights to stay right in the middle of it all.

Here's how it will work:

- Purchase EITHER a 2-day pass for \$30 (comes with two drink tickets) OR purchase a room for \$150 (same price for single or double rooms, comes with ONE 2-day pass and two drink tickets if over 21). All ages are welcome, but you must be over 18 to book a room.
- Pick the events you'd like to participate in. They're \$10 each for entrance, but you'll be eligible for some absolutely EPIC prizes and goodies throughout each event. Winners and participants will be eligible to win gifts from local organizations like the amazing

partners hosting these events, plus Labyrinth Escape Games, Ground Kontrol, and many more.

- We will reach out to you directly within 1 business day regarding your room type, your display name for events (use your own or give us your gamer handle), and to get any other info we need from you.
- After that, we'll make sure your display name is up on the appropriate board. If you don't see your name up within 1 business day, reach out to katie@jupiterhotel.com and let us know!

Who should attend: Friends, family, in-laws, high school and college friends, and any stragglers hanging around your house before the holidays. Heading to the Magic Fest Grand Prix the weekend before? Keep the magic going all the way up to Christmas! Those looking for last-minute holiday gifts will find nerdy vendors selling their wares in our concessions room.

When: December 22 & 23, 2019. Board games will be available starting at 12pm (noon) on Sunday, December 22. Check-in begins at 4pm, but we will accommodate early check-ins for free, depending on availability, and hold bags for anyone waiting. The event runs from 12pm-11pm on Sunday and Monday, though we are expecting the LAN Party to go all night.

Where: Jupiter Hotel, 800 E Burnside St, Portland, OR, 97214

How to register: Register for a full event pass, book a highly discounted room for an included pass, and add-on special games and tournaments throughout the event at our Eventbrite link: <https://www.eventbrite.com/e/80178830039>

Pricing: Book a 2-night stay at \$150 total, and you'll receive a 2-day pass to the full event for free! Full event passes are \$30 (waived with a 2-night stay) and entrance into special events such as the LAN Party, Magic the Gathering drafts, tournaments, and DnD sessions are an extra \$10 per event.

Why a LAN Party? Look, this is purely selfish. Turns out, we've got a staff full of absolute nerds. Our staff-wide D&D campaign is on break for the holidays, and we need to get our fix! Join in the fun with us, get a room, and get your GAME ON!
